STATOTH

There have been allegations made that the Agency and Federal Bureau of Investigation have been involved in a "cover-up" germane to this case. Congressman Don Edwards, Chairman of the Civil and Constitutional Rights Sub-committee has launched an investigation of the FBI's alleged involvement in this case. This has been reported by the press as has several articles telling of 17 political burglaries and/robbery of the United Farm Workers' Union Hall in Delano, California. These alleged crimes took place from 1966-1968.

The purpose of this letter is for your Agency to confirm or deny its involvement in this case. Our intent is in no way to embarrass the Agency.

If one of your representatives desires to contact me in person here or in Washington, D.C., I should make myself available. Or should you decide to phone me, please call (408) 998-5121.
